

Using the Home page to move around in QuickBooks

The Home page gives you a big picture of how your business tasks fit together. It opens automatically whenever you open a company file.

You can do all your tasks just using the menus. The menus contain the same tasks as the Home page, and more.

Click here to see your company's performance at a glance.

Find shortcuts to many parts of QuickBooks. To create your own shortcuts, scroll down in this shortcut list and click **Customize Shortcuts**.

Customize the Home page, choose **Edit > Preferences > Desktop View**.

You go directly to the centres by clicking these icons.
